

# Quick Reflection: Difficult Employee

Think of a challenging employee you've observed in your company or perhaps within your team. Identify the type of difficult employee they are: Brilliant Jerk, Noncommunicator, Disrespectful Employee

## Questions:

1. Briefly describe the specific challenge you are facing with this employee.

2. How would you address this challenge as their manager?

3. Which strategy or strategies from the lesson would you apply?

4. What is your main takeaway from this exercise regarding handling difficult employees?
